

Policies of the Dolphin Pointe of Dunedin Board of Directors

Adoption, Amendment, and Publication of Policies

Policies may only be adopted or amended by the board at a legally called meeting of the board. Policies must not be in violation of state law, local ordinances or Association documents. Policies to be adopted or amended should be read aloud at the meeting at which action will be taken. Once adopted or amended, the date of that action shall be recorded on the policy and the policy shall be distributed to all board members

Adopted policies as well as subsequent amendments shall be provided to each board member and shall be made available to owners for their information on request. A copy of the policies is located in the office.

Date adopted: Nov. 16, 2010
